

Revelation Pt 4 - Lesson 4 - Babylon

What Happened to the Earth	God's Judgment	Consequences
<p>God created man - he was to rule and reign over the earth - Gen 1-2</p> <p>Man was God's representative on earth</p> <p>Just like Esau sold his birthright for a bowl of soup - Adam and Eve sold/abdicated their God given responsibility to be stewards of this earth for a piece of fruit off a forbidden tree - Gen 3</p> <p>Instead of subduing the earth the earth was going to become their grave - Gen 3</p> <p>Kicked out of the garden</p> <p>Satan became the ruler of the earth and filled men's hearts with hatred and evil - because man abandoned all that was good - Jn 12:31; II Cor 4:4; Matt 4:8-10</p> <p>James 1:17 I Jn 2:15-17</p> <p>The perfect dwelling that God gave became the haunt of Satan and his demons</p>	<p>God judged man and the earth for the sin and the corruption (Gen 6-9 - flood)</p> <p>Brought the flood to kill all that have the breath of life - but spared 8 and 2 of every living creature</p> <p>Out of these people that populated the earth - God chose Abram to begin His nation that would be His representative to the world - gave them a land that would be theirs forever</p> <p>All they needed to do is obey God and walk in His statutes - live separated from the worldly influence (of Satan) being sanctified - set apart for God</p> <p>If they obeyed - they would be blessed</p> <p>If they disobeyed - God would rip them out of their land and disperse them throughout the nations</p>
